16th Century Palazzo In Zebbug

€5,500,000

📍 Zebbug, Central

Amazing and unique 16th century Palazzo built on a footprint of 1000sqm and boasting 6 tumoli (6250sqm) of landscaped gardens. This beautiful property is a piece of history incorporating 45 rooms with frescos as well as a small theater and other unique features.

Together with the Palazzo, at a further disclosed price, one also has the option to purchase a chapel and the only private chapel on the island). There is also an extras plot of land, preivolusly a quarry that can be pruvchased at an additional cost.

Begging for attention this could be one of the most imposing properties on the island.
