Town House's in Zebbug

€430,000

 Zebbug, Central

Located in the village core of Żebbuġ, along the quieter streets, this collection of six Town Houses offers a rare opportunity to own a home that feels grounded in its surroundings rather than part of a standard development.

Each house is spread over multiple levels, with well-planned ground floors that go beyond a simple open-plan layout — incorporating defined living spaces, practical kitchens, and, in some cases, additional features such as a study, pantry, or traditional entrance hall.

The first floor is dedicated to sleeping quarters, with all houses offering three double bedrooms. The main bedroom
