Palazzino in Valletta

€0

 Valletta, Central

Located within the historic fortified city of Valletta, this exceptional fully converted Palazzino combines timeless 18th-century character with contemporary luxury living. Originally built in 1786, the property retains its authentic architectural heritage while benefiting from a complete high-specification renovation throughout.

This distinguished double-fronted Palazzo features a beautiful historic Baroque balcony window façade, offering an elegant presence within one of Malta's most prestigious and culturally rich locations.

Arranged over spacious 4 floors, the residence offers a highly versatile layout comprising 4 principal bedrooms, 3 full
