Valletta Townhouse: Fully Constructed in Shell Form €3,950,000

📍 Valletta, Central

A rare opportunity in the heart of Valletta.

This fully constructed Townhouse in Shell Form, with new windows already fitted, offers 506 m² of internal space plus 216 m² of terraces and roof, ready to finish to the architect's design or entirely your own. It enjoys open sea and sky views, and it crowns the city skyline with a full-size rooftop pool, the last one to be permitted in Valletta. Inside, glass floors draw light through every level, while a lift serves every floor.
