Townhouse In St. Julians

€9,500,000

 St. Julians, Sliema Area

An extremely good and rare opportunity to purchase a fully restored Townhouse located within one of the most sought after area's of St. Julians with open irreplaceable views of Spinola bay from every level of the building.

The property has been finished to high standards and features include 2 adjacent 2 bedroom apartments also boasting open sea views and its airspace over both buildings with approved permits to develop a further 2 story amazing penthouse with 360deg views.

This would make the perfect family home or even a one off type of investment as it carries tons of potential. The
