Presenting an extraordinary opportunity to acquire a meticulously preserved Villa, steeped in the rich history of Malta, and built in the 19th century and located within UCA of Ghaxaq. This stunning property retains its original characteristics, offering a glimpse into a bygone era while providing all the modern comforts of contemporary living.

Upon entering the villa, you are greeted by a grand entrance that sets the tone for the elegance within. A sneak peek into the expansive 3,500sqm baroque gardens reveals a lush oasis of mature landscapes, inviting fruit and citrus orchards, and majestic olive trees. The villa boasts spacious bilateral rooms; one is currently a formal dining room, while the other serves as an elegant sitting area that seamlessly transitions into a generous living area anchored by a stunning grand staircase.
